## ABOUT US

In 1953 Don the Beachcomber's tiki restaurant opened in this very space where we now serve you delicious coffee every morning. We named our coffee shop after this legend's given birth name, Ernest Raymond Beaumont Gantt, celebrating the founding father of tiki restaurants and bars while serving you honest and delicious Stumptown coffee to get your day started. The original tiki torches still stand tall above our front door and inspire us to continue the decades-in-the-making tradition of creating a vibrant, inspired space for people to come together and have a great time!

Ernest Coffee is open from 6am to 7pm seven days a week serving up Stumptown Coffee with soy, almond, coconut and oat milk as dairy alternatives.

Ernest Coffee. Serious coffee... seriously.
